A febre (Portuguese Edition) Megan Abbott

Na Escola Secundária de Dryden, Deenie, Lise e Gabby formam um trio inseparável. Filha do professor de química e irmã de um popular jogador de hóquei da escola, Deenie irradia a vulnerabilidade de uma típica adolescente de 16 anos. Quando Lise sofre uma inexplicável e violenta convulsão no meio de uma aula, ninguém sabe como reagir.

Os boatos começam a se espalhar na mesma velocidade que outras meninas passam a ter desmaios, convulsões e tiques nervosos, deixando os médicos intrigados e os pais apavorados. Os ataques seriam efeito colateral de uma vacina contra HPV?

Envolto em teorias e especulações, o pânico rapidamente se alastra pela escola e pela cidade, ameaçando a frágil sensação de segurança daquelas pessoas, que não conseguem compreender a causa da doença terrível e misteriosa.

A trama do livro foi inspirada num acontecimento real, ocorrido no estado de Nova York, em 2012.

Eleito Livro do Ano pelo Strand Critics Award e apontado entre os finalistas do prestigioso Folio Prize e os melhores do ano da Amazon.

“O mistério pulsante prende a atenção até a última página.” **The New York Times**

“A febre não é apenas uma história de mistério viciante, mas também uma observação atenta à feroz competição entre meninas e à intensa proximidade entre elas.” **Entertainment Weekly**

From reader reviews:

Kristin Todd:

Within other case, little men and women like to read book A febre (Portuguese Edition). You can choose the best book if you appreciate reading a book. Providing we know about how is important a new book A febre (Portuguese Edition). You can add know-how and of course you can around the world by a book. Absolutely right, due to the fact from book you can know everything! From your country right up until foreign or abroad you will find yourself known. About simple matter until wonderful thing you could know that. In this era, we are able to open a book or maybe searching by internet gadget. It is called e-book. You can utilize it when you feel uninterested to go to the library. Let's study.

William Riser:

As people who live in the particular modest era should be update about what going on or facts even knowledge to make all of them keep up with the era that is certainly always change and move forward. Some of you maybe can update themselves by looking at books. It is a good choice to suit your needs but the problems coming to you actually is you don't know what kind you should start with. This A febre (Portuguese Edition) is our recommendation to help you keep up with the world. Why, as this book serves what you want and want in this era.

Coleman Jones:

Nowadays reading books be a little more than want or need but also turn into a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge the particular information inside the book that improve your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want get more knowledge just go with knowledge books but if you want sense happy read one using theme for entertaining like comic or novel. The actual A febre (Portuguese Edition) is kind of publication which is giving the reader unstable experience.

Ettie Hardcastle:

In this era which is the greater individual or who has ability in doing something more are more treasured than other. Do you want to become one of it? It is just simple way to have that. What you must do is just spending your time not much but quite enough to enjoy a look at some books. On the list of books in the top record in your reading list is A febre (Portuguese Edition). This book which can be qualified as The Hungry Slopes can get you closer in turning out to be precious person. By looking up and review this e-book you can get many advantages.
