The Abbey: A Story of Discovery

James Martin

The Abbey: A Story of Discovery James Martin

In the tradition of the spiritual classics *The Shack* and *The Screwtape Letters* comes a captivating and poignant debut novel from the revered Jesuit priest and *New York Times* bestselling author of *Jesus* and *The Jesuit Guide to (Almost) Everything*.

A divorced single mom, Anne can barely cope with life and struggles to make sense of the death of her young son.

A former architect with a promising career, Mark works as a handyman and wonders how his life got off track.

The abbot of the Abbey of Saints Philip and James, Father Paul sometimes questions whether he made the right decision in secluding himself so thoroughly from the world.

At this Pennsylvania abbey, this unlikely trio will discover the answers they seek—a miracle of hope and understanding that bears witness to the power of God to bring healing and wholeness to our lives.

Written with the compassion, insight, and warmth of his previous bestsellers—*Jesus*, *Between Heaven and Mirth*, and *The Jesuit Guide to (Almost) Everything*—Father James Martin's debut novel is infused with deep spiritual wisdom, wry humor, and loving grace. Through his characters' struggles, questions, and crises, we see firsthand how God uses our worries, anger, doubts, prayers, failures, and longings to help us complete ourselves and feel wholly loved.

From reader reviews:

John Bullen:

In this 21st millennium, people become competitive in every single way. By being competitive currently, people have to do something to make these individuals survive, being in the middle of the crowded place and notice by simply surrounding. One thing that at times many people have underestimated the idea for a while is reading. That's why, by reading a guide your ability to survive increases then having a chance to endure than other is high. For you personally who want to start reading some sort of book, we give you that *The Abbey: A Story of Discovery* book as a basic and daily reading reserve. Why, because this book is usually more than just a book.

Linda Porter:

Spent a free chance to be a fun activity to accomplish! A lot of people spend their leisure time with their family, or their own friends. Usually they perform activities like watching television, going to the beach, or picnic in the park. They actually do the same every week. Do you feel it? Would you like to do something different to fill your free time/holiday? Reading a book is usually an option to fill your free time/holiday. The first thing that you ask may be what kinds of reserve that you should read. If you want to test look for a book, maybe the book titled *The Abbey: A Story of Discovery* can be a good book to read. Maybe it can be the best activity to you.

Corey Mason:

This *The Abbey: A Story of Discovery* is a great publication for you because the content that is certainly full of information for you who also always deal with the world and get to make a decision every minute. That book reveals its data accurately using great arrangement of words or we can say no rambling sentences within it. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with attractive delivering sentences. Having *The Abbey: A Story of Discovery* in your hand like obtaining the world in your arm, facts in it is not a ridiculous one particular. We can say that no publication that offers you the world within ten or fifteen tiny rights but this e-book already does that. So, this can be a good reading book. Hi Mr. and Mrs. occupied do you still doubt which?

Heather Vazquez:

Many people spend their period by playing outside having friends, fun activities having family or just watching TV the entire day. You can have a new activity to enjoy your whole day by studying a book. Ugh, think reading a book can be really hard because you have to take the book everywhere? It's OK you can have the e-book, delivering everywhere you want in your smartphone. Like *The Abbey: A Story of Discovery* which is keeping the e-book version. So, try out this book? Let's notice.
