The Real Minerva Mary Sharratt

Stunningly detailed, richly plotted, and emotionally engrossing, *The Real Minerva* is the story of three women forging their own paths in a Midwestern farming community. In 1923, as book-loving Penny enters adolescence, her mother, Barbara, pulls her out of school to send her to work. Destined to become a cleaning woman like her mother, Penny sees no escape from her bleak existence until a scandalous figure arrives in the town of Minerva, Minnesota: Cora, very pregnant, very headstrong, and very alone, has come to make a home on her grandfather's farm. Intrigued by this curious new resident, Penny sets out to work for Cora. Suspenseful and moving, *The Real Minerva* is a remarkable novel about the strength of women and the unexpected bonds that form between them.

Mary Sharratt is the author of the much-acclaimed debut, *Summit Avenue*, and the forthcoming novel *The Vanishing Point*. A born-and-bred Minnesotan, Sharratt drew on her mother's and grandmother's stories of Minnesota farm life in the early twentieth century for *The Real Minerva*. She now lives in Lancashire, England.
