Winning the Boss's Heart Hayson Manning

Mason Christian has twelve weeks to flip something old into something new, and then he's getting the hell out of Footsteps Bay - a tiny New Zealand coastal town. Not even his temporary secretary and personal assistant--the feisty, luscious Billie McLeod--will deter him, but there's no denying she makes him feel alive. More alive than he's felt in three years...

Billie has one dream: save enough money to finish her degree. That's why she's agreed to work for hard ass, all-business-no-pleasure Mason Christian--a man who has every intention of destroying through modernization the town's most cherished historical home. Before she can say 'see ya' she's signed on the dotted line and is contractually bound to be Mason's forty-second assistant. But working with male perfection every day is awesome with a capital A--as long as they can stick to a hands-off policy that gets harder every day...
