## **A New Tune a Day for Drums: Book 1** Chris Baker

Since it first appeared in the 1930s, the concise, clear content of the best-selling A Tune A Day series has revolutionised music-making in the classroom and the home. Now, for the first time, C Paul Herfurth's original books have been completely rewritten with new music and the latest in instrumental technique for a new generation of musicians. An all-round drummer Chris Baker played jazz in his early years in the English Midlands, before relocating to Los Angeles to study under some of the legends of modern drumming: Steve Houghton (Woody Herman), Ralph Humphries (Frank Zappa) and Joe Porcaro (Frank Sinatra). Chris has toured internationally and records with a wide range of important ensembles. He continues to develop headhandsfeet, a successful teaching practice. Chris currently divides his time between London and the Midlands.
