*Discover powerful ways to connect with your students!*

All too often, managing a classroom means gaining control and implementing rules. Designed for any teacher struggling with student behavior, motivation, and engagement, this book explores how to create a thriving, learning-centered classroom through relationships, relevance, and rigor. Filled with classroom stories and immediate action steps, the book shows how to:

- Develop an interactive learning mindset
- Create a safe environment where students flourish
- Uncover a student's learning profile as well as your own teaching style
- Create classroom practices and procedures with student input
- Use brain-based instructional strategies to keep students engaged
