La Caputxinada. Frares compromesos amb el país i la llibertat (Catalan Edition) Clara Fons i Duocastella

Tres dies de resistència i dignitat. Tres dies de març que van marcar un abans i un després en la història recent del nostre país. Mig segle després de la Caputxinada, aquest llibre presenta un punt de vista inèdit: el dels frares del convent de Sarrià que van acollir entre els seus murs els integrants de l'assemblea constituent del SDEUB, el primer sindicat d'estudiants democràtic en temps de la dictadura, fent front al setge de la policia franquista i a la pressió de tots els poders fàctics.

"La Caputxinada" revela també les conseqüències que va tenir per als frares la seva col·laboració amb la lluita antifranquista: amenaces i coaccions des dels sectors més intransigents de l'Espanya dels seixanta, però també un corrent de solidaritat, fraternitat i obertura a la convulsa societat catalana de mitjans del segle XX.
