Let Burn

Rachel K. Wentz

Let Burn Rachel K. Wentz

In 1985, desiring a meaningful, high-paced career in public service, Rachel Wentz left her university studies to become a firefighter/paramedic. Only the eighth woman hired by the Orlando Fire Department, a highly competitive department steeped in tradition, Wentz excelled, completing an AS in Fire Science, a master's in public administration, and numerous specialized training courses to prepare her for an administrative position within the department. Wentz spent eleven years with OFD, experiencing a career that was every bit as exciting and challenging as she had sought. A moving, candid, and eloquent memoir, *Let Burn* recounts her experiences as a firefighter/paramedic, during which time she witnessed aspects of life and death few people are privy to, experiences that shaped her as a professional and as a person. From the rigorous demands of training to the extraordinary calls Wentz responded to, *Let Burn* details the gratifying aspects of the field, but also demonstrates the precarious nature of the job: a heated altercation at the scene of an industrial fire leads to Wentz losing almost everything she's worked for and the dramatic end of a storied career. In vivid detail, *Let Burn* provides a firsthand glimpse into the hidden world of firefighting and emergency medicine.
