Poison: A Novel Kathryn Harrison

Francisca de Luarac, the daughter of a poor Spanish silk grower, is a dreamer of fabulous dreams. Marie Louise de Bourbon, the niece of Louis XIV, dances in slippers of fine Spanish silk in the French Court of the Sun King and imagines her own enchanted future. Born on the same day--in an age when superstition, repression, and the Inquisition reign--the lives of these two young women unfold in tandem, barely touching. Each hoards the memory of her adored lost mother like an amulet. Francica's obsession with her lover, a Catholic priest, will shape her fate. Marie Louise is yoked by political expediency to the mad, impotent Carlos II of Spain. But even as their twin destinies spiral inexorably toward disaster, both Queen and commoner cultivate a dangerous, secret life dedicated to resistance, transcendence, and love. Written in gorgeous prose that has the sheen of silk, Kathryn Harrison's *POISON* vividly reminds us of the persistence of desire, the passion that exists between mothers and daughters, and the sorcery of dreams.
