The Clinical Neurophysiology Primer

Andrew S. Blum, Seward B. Rutkove

The Clinical Neurophysiology Primer Andrew S. Blum, Seward B. Rutkove

The Clinical Neurophysiology Primer presents a broad yet focused treatment of central topics in the field of clinical neurophysiology.

This volume was inspired by the clinical neurophysiology lecture series at Beth Israel-Deaconess Medical Center and Rhode Island Hospital, where faculty and trainees at these renowned teaching hospitals participate in a lecture series over the course of the academic year.

Much like the lecture series, The Clinical Neurophysiology Primer is designed to acquaint trainees with the essential elements of clinical neurophysiology.
