10 Easy Steps to Successful Medical Publications Dr Neel Halder

Encouraged by the success of 'TEN EASY STEPS FOR ENHANCING YOUR CHANCES of PUBLICATION' that was published in 2011 and also taking into consideration the feedback received, the author has structured a more comprehensive and detailed resource. He has also drawn on his vast experience of teaching medical students from all over the world in the hugely acclaimed Future Excellence International Medical Summer School in Manchester, United Kingdom. His key-note lecture on the topic of 'Publications and Publishing' is very well received by the students and this book, which includes all the salient points from the lecture, thus encompasses all vital information that a student requires in order to start in the publication ladder.

This should be considered as an invaluable book for anyone aiming to publish in medical journals at both under-graduate and postgraduate levels. Whether one wishes to publish for pleasure, prestige or portfolio, obtaining publications are seen to be important for all clinicians and students. Publications in medical and scientific journals count towards precious points in the application forms. This book will provide the user with essential information and tips towards publishing, by guiding them through the various stages in a step-by-step manner.
