Out of Africa

Out of Africa

Nigeria, once a hopelessly beleaguered society, has risen from the ashes and is a spiritually revived nation. One of the main contributors to this book states: "It is safe to say that the Church and effectual prayers have kept our nation from complete anarchy and genocide. The impact of Christianity is evident wherever you go. If you look a little deeper, listen a little closer, you will see and hear the myriad changes that are subtly transforming our nation into a nation that truly fears the Lord." The miraculous is evident in the church of Nigeria. *Out of Africa* offers the testimony of numerous Nigerian pastors who are making a difference for God all over the world. Learn from churches who are experiencing a radical move of God.
