The Congress of Vienna 1814-1815

Tim Chapman

The Congress of Vienna 1814-1815 Tim Chapman

In 1814-1815, after the French revolutionary and Napoleonic Wars, the leaders of the most important countries in Europe gathered together to redraw the frontiers of their continent. *The Congress of Vienna* explores the attempt by Britain, Russia, Austria and Prussia to agree Europe's new frontiers after almost twenty years of continuous fighting against France and analyses how successful the Congress was. *The Congress of Vienna* offers a readable introduction to this difficult topic, providing a background to the negotiations, a summary of the agreements reached and assessment of the longer term consequences.
