## The Legacy of Jihad

This book reveals how, for well over a millennium and across three continents - Asia, Africa, and Europe - non-Muslims who were vanquished by jihad wars became forced tributaries (called dhimmi in Arabic) in lieu of being slain. Under the dhimmi religious caste system, non-Muslims were subjected to legal and financial oppression, as well as social isolation. Extensive primary and secondary source materials, many translated here for the first time into English, are presented, making clear that jihad conquests were brutal, imperialist advances, which spurred waves of Muslims to expropriate a vast expanse of lands and subdue millions of indigenous peoples. Finally, the book examines how jihad war, as a permanent and uniquely Islamic institution, ultimately regulates the relations of Muslims with non-Muslims to this day. Scholars, educators, and interested lay readers will find this collection an invaluable resource.

### From reader reviews:

#### **Donna Gray:**

Reading a reserve tends to be new life style with this era globalization. With looking at you can get a lot of information that could give you benefit in your life. Together with book everyone in this world may share their idea. Guides can also inspire a lot of people. Lots of author can inspire their reader with their story or perhaps their experience. Not only situation that share in the books. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors on earth always try to improve their proficiency in writing, they also doing some research before they write with their book. One of them is this The Legacy of Jihad.

#### **Matthew German:**

This The Legacy of Jihad is great reserve for you because the content that is certainly full of information for you who always deal with world and possess to make decision every minute. This particular book reveal it facts accurately using great manage word or we can claim no rambling sentences included. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but tough core information with wonderful delivering sentences. Having The Legacy of Jihad in your hand like finding the world in your arm, details in it is not ridiculous just one. We can say that no book that offer you world in ten or fifteen small right but this reserve already do that. So , this can be good reading book. Hey there Mr. and Mrs. stressful do you still doubt which?

#### **Johnnie Colby:**

Reading a book to become new life style in this 12 months; every people loves to examine a book. When you examine a book you can get a great deal of benefit. When you read guides, you can improve your knowledge, due to the fact book has a lot of information onto it. The information that you will get depend on what kinds of book that you have read. If you wish to get information about your study, you can read education books, but if you want to entertain yourself you are able to a fiction books, these us novel, comics, in addition to soon. The The Legacy of Jihad provide you with new experience in reading a book.

#### **Truman Gallagher:**

That publication can make you to feel relax. That book The Legacy of Jihad was vibrant and of course has pictures on there. As we know that book The Legacy of Jihad has many kinds or style. Start from kids until teens. For example Naruto or Private eye Conan you can read and think that you are the character on there. Therefore not at all of book tend to be make you bored, any it can make you feel happy, fun and unwind. Try to choose the best book for you and try to like reading that will.
