The Lost Testament: A Bronson Novel (Chris Bronson Book 6) James Becker

One man, one woman. One chance to expose the truth.

Angela Lewis and Chris Bronson return in a high-adrenaline flight across Europe in pursuit of an ancient and world-shattering secret, chased by a band of fearsome assassins.

For thousands of years we guarded it. But now it has been found. This could be the end -- for us; for our organisation; for the world. You must destroy it, and those who have taken it.

An object is discovered in a Cairo souk. A market trader is tortured to death. A tantalising request for help is sent to British Museum historian Angela Lewis. She and policeman Chris Bronson travel to Egypt, where they become targets of a ruthless Masonic lodge. Only they have the key to the secret. Their only problem is deciphering it before their time runs out. Everything they think to be true is false. Everyone they trust must be distrusted.
