The Story of Turkey Charles Horne

Constantinople, the Turkish capital, the mysterious, ancient, ever-flourishing city, sacred alike to Christian and Mahometan, stands in its wondrous beauty upon European shores; yet Turkey is an Asiatic State. Her story belongs to Asia, the world of dreamy fancy and lurid legend, not of sober fact and accurately dated history. Hence one can speak of Turkey only after the fashion of her own clime, repeating the poetic fantasies with which her writers have adorned her early days, enjoying the beauty and noting the symbolism of each new tale, but with not too deep a faith in its mathematical veracity.

The story deals first with Ertoghrl, whose name means the right-hearted man; and the hero who succeeds him is Osman, the limb-breaker. The significant titles indicate the chief qualities for which the Turks take pride in their far ancestors. Those founders of the race were sturdy warriors and "right-hearted" men of honor.

Nisyros Publishers has a proud history of publishing high quality and rare titles.
