Trevor hated interns but he promised an old friend that he'll see what he could do in getting his daughter an intern job. But she might be more than he can handle. Trevor had no idea what he was getting himself into.

Ashley is **unbearably horny**. **Small, young, and a skirt too short** - she was the type of girl who loves **cute older guys** like Trevor. And being **her dad's friend**, it only made the **hunky man** more desirable.

Seductive, playful, and innocent. Ashley came at him, with all the right weapons. Her sights are not on the job but rather **the huge bulge** in his pants. She'll make the most out of her interview, getting **taken hard and unprotected!**
