Beyond Redemption

Michael R. Fletcher

Beyond Redemption Michael R. Fletcher

Faith shapes the landscape, defines the laws of physics, and makes a mockery of truth. Common knowledge isn't an axiom, it's a force of nature. What the masses believe *is*. But insanity is a weapon, conviction a shield. Delusions give birth to foul new gods.

Violent and dark, the world is filled with the Geisteskranken--men and women whose delusions manifest, twisting reality. High Priest Konig seeks to create order from chaos. He defines the beliefs of his followers, leading their faith to one end: a young boy, Morgen, must Ascend to become a god. A god they can control.

But there are many who would see this would-be-god in their thrall, including the High Priest's own Doppels, and a Slaver no one can resist. Three reprobates--The Greatest Swordsman in the World, a murderous Kleptic, and possibly the only sane man left--have their own nefarious plans for the young god.

As these forces converge on the boy, there's one more obstacle: time is running out. When one's delusions become more powerful, they become harder to control. The fate of the Geisteskranken is to inevitably find oneself in the Afterdeath.

The question, then, is: Who will rule there?

From reader reviews:

Alan Dean:

Reading a publication can be one of a lot of task that everyone in the world loves. Do you like reading book and so. There are a lot of reasons why people like it. First reading a book will give you a lot of new info. When you read a reserve you will get new information mainly because book is one of numerous ways to share the information as well as their idea. Second, looking at a book will make you actually more imaginative. When you examining a book especially fictional works book the author will bring that you imagine the story how the people do it anything. Third, you are able to share your knowledge to others. When you read this Beyond Redemption, you could tells your family, friends and also soon about yours publication. Your knowledge can inspire the mediocre, make them reading a guide.

Pamela Adair:

Precisely why? Because this Beyond Redemption is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will shock you with the secret this inside. Reading this book next to it was fantastic author who have write the book in such incredible way makes the content within easier to understand, entertaining way but still convey the meaning fully. So , it is good for you because of not hesitating having this anymore or you going to regret it. This book will give you a lot of gains than the other book include such as help improving your talent and your critical thinking technique. So , still want to delay having that book? If I were being you I will go to the publication store hurriedly.

Kristy Lange:

The book untitled Beyond Redemption contain a lot of information on that. The writer explains your girlfriend idea with easy means. The language is very easy to understand all the people, so do not really worry, you can easy to read that. The book was written by famous author. The author brings you in the new period of time of literary works. It is possible to read this book because you can keep reading your smart phone, or product, so you can read the book inside anywhere and anytime. In a situation you wish to purchase the e-book, you can start their official web-site and also order it. Have a nice examine.

Patricia Lopez:

As we know that book is very important thing to add our know-how for everything. By a guide we can know everything we want. A book is a pair of written, printed, illustrated or even blank sheet. Every year ended up being exactly added. This reserve Beyond Redemption was filled concerning science. Spend your time to add your knowledge about your scientific disciplines competence. Some people has various feel when they reading any book. If you know how big selling point of a book, you can experience enjoy to read a book. In the modern era like right now, many ways to get book which you wanted.
