Historia de España: Época Moderna. De la Monarquía Hispánica a la crisis del Antiguo Régimen (Spanish Edition) Manuel Bustos Rodríguez

La necesidad de comprender y explicar los importantes acontecimientos actuales, al igual que los sucedidos a lo largo de la Época Contemporánea, obliga al hombre de nuestros días al conocimiento del pasado. A este respecto, el periodo que denominamos moderno (siglos XVI, XVII y XVIII) en sus diferentes facetas, del que se ocupa este libro, resulta esencial para la comprensión de España como nación, de las tensiones territoriales surgidas en su interior, de sus vínculos europeos y de su huella sobre el continente americano, sin olvidar la larga dependencia de su economía y de su desarrollo científico, ni sus profundas raíces católicas o los caracteres singulares de su espléndida cultura. Esta obra pretende ayudar al lector en dicha comprensión, de una forma didáctica, resumida y sencilla.
