"The Year is 2034 – on a post-apocalyptic Earth.

A group of New World residents led by James Cook are

traversing the frozen lands in search of his father. But

staying one step ahead of a diabolical army – the

Vengers – led by a megalomaniac who is hell bent on

ruling the New World is only one of the group's concerns.

The other is beating nature at her own game.

Will friends turn into enemies when the temperature

drops? Who will you trust when you are ICE BOUND?"
