Into the Outdoors Susan Gal

In Susan Gal's delightful young-concept book, a family travels *up* a mountain, *over* a bridge, and *under* a canopy of trees to reach their campsite in the great outdoors. A forest hike offers more opportunities to showcase words that describe spacial relationships and show young readers where they are in the world. *Beside* a lake! *Next to* a waterfall! *On top of* a mountain! Then after the sun slips *behind* the hills, they'll snuggle *alongside* each other and dream sweet dreams *inside* their tent *among* the trees.

Gal's pictures capture all the beauty of the natural world. And she's included a humorous cast of animal characters on a parallel journey of their own, so the art is full of funny things to spot.

This is a gem of a story for parents and teachers to share with their happy campers.
