John Calvin's Commentaries On The Book Of Joshua: Extended Annotated Edition John Calvin

This is the extended and annotated edition including

* an extensive biographical annotation about the author and his life

Calvin produced commentaries on most of the books of the Bible. His commentaries cover the larger part of the Old Testament, and all of the new excepting Second and Third John and the Apocalypse. His commentaries and lectures stand in the front rank of Biblical interpretation.

The Commentary On Joshua was the last literary labor of its venerable Author. When he engaged in it, his constitution, which had never been strong, was completely worn out by excessive exertion, and almost every line of it must have been dictated to his amanuensis during momentary intervals of relief from severe bodily pain. On this point we possess authentic documents which leave no room for doubt. Such are the circumstances in which this Commentary was composed, and it is impossible, in reflecting on them, not to admire the indomitable energy which Calvin displayed in proceeding with his task, and in meeting the remonstrance's of those who would have withdrawn him from it, with the heroic exclamation, "Would you that the Lord, when He comes, should find me idle!"

A Work written at such a time, and in such a spirit, might justly claim exemption from criticism; but it has no need of indulgence, and can well afford to be judged by its own intrinsic merits. Viewed merely as an intellectual effort, it displays all the excellencies which characterize the other Commentaries of its distinguished Author: viewed in a higher and better light, it is his dying bequest to the Church - a solemn ratification of the whole System of Doctrine which he had so long, so earnestly, and so successfully promulgated.
