Underground Space Conference and Exposition

The Potential of Earth-Sheltered and Underground Space: Today's Resource for Tomorrow's Space and Energy Viability Underground Space Conference and Exposition

The Potential of Earth-Sheltered and Underground Space: Today's Resource for Tomorrow's Space and Energy Viability contains the proceedings of the Underground Space Conference and Exposition held in Kansas City, Missouri, on June 8-10, 1981.

The book contains four chapters that present both the plenary session and theme session of the conference. The chapters are organized depending on the topics they discuss. The topics covered include public policy; Earth sheltered buildings; urban planning for underground space use; and deep mined space.
