Dancing with the Universe: A Journey from Spiritual Resistance to Spiritual Release Dianne Rosena Jones

Dancing with the Universe is a journey from spiritual resistance to spiritual release by being authentically yourself, honoring the Power within, knowing your own truth, and making peace with your imperfections. Aligning your life with the Divine Presence and embracing transformation. Experiencing manifestation by developing a spiritual posture which heeds Divine guidance as it flows from the Universe. Divine encounters create moments of total surrender while learning to master the art of release as you move with the Spirit of God as two lovers embraced in an intimate dance. Learn to live fearlessly, love freely, and laugh endlessly, while honoring the Power Within. Let the dance begin.
