Get In The Ark: Finding Safety in the Coming Judgment Steve Farrar

Steve Farrar says, "If you want to know what is going to happen in the future then you have to look back to the past." His recommended reading list for understanding the future through the past? The biblical prophets. Through his own study of the prophets, Farrar is convinced that America is on the brink of judgment. He says, "The problem with America is not the unbelieving world. The problem with America is the people of God. Our gospel is cancelled by the way we live." With ***Get In The Ark***, Farrar gives Christians the tools they need to victoriously face the coming judgment.
