Grace's mother is a movie star. World travel, famous people, and movie sets are her life. So are bodyguards, paparazzi, and constant chaos. Grace dreams of a normal life with regular school and real friends. She also dreams of knowing her father, whose identity her mother has never revealed. When her secretive mother announces they're going to Martha's Vineyard for the summer, Grace doesn't know the island holds the keys to her family history. But once the connection becomes clear, she can't resist searching for some answers. Grace makes some surprising moves along the way, from making a friend and piercing her ears to developing a strong suspicion of who her father is.
