## **Stan the Man: The Life and Times of Stan Musial** Wayne Stewart

Finally, here is a biography of Stan Musial that is worthy of the player himself. The author, who grew up in Musial's hometown, has spent years researching the slugger's life and career. The result is a biography broad in scope and deep in analysis. *Stan the Man* details not only the personality and the accomplishments of the man but artfully examines Musial's life against the backdrop of the Great Depression (which the already-impooverished Musial family endured), race and integration, and the tragedy that struck his hometown of Donora, Pennsylvania, and claimed many lives, including ultimately his father's. The slew of never-before-published material and revealing anecdotes gained through numerous exclusive interviews with former classmates, relatives, friends, teammates, and contemporaries allow this book to shed fresh light on the legendary Musial while making the book a must-read for all baseball fans.
