'Fearless Leader', part 1

Before they were known as the legendary Voltron Force, they were Space Explorer Squadron #686 of the Galaxy Alliance -- four young men, led by Commander Sven, and tasked with keeping the Earth safe and the skies clear in a universe growing more and more dangerous every day. So it was no surprise that central command came to them first with an impossible rescue mission and an enemy even they didn't truly understand. One that threatens the fragile coalition of planets they've risked their lives to maintain. Unbreakable bonds are formed and intense rivalries borne in the first chapter of 'Fearless Leader'...

From reader reviews:

Elizabeth Brown:

The book Voltron: Year One #1 give you a sense of feeling enjoy for your spare time. You can utilize to make your capable a lot more increase. Book can to be your best friend when you getting anxiety or having big problem with your subject. If you can make examining a book Voltron: Year One #1 to be your habit, you can get a lot more advantages, like add your personal capable, increase your knowledge about a few or all subjects. It is possible to know everything if you like start and read a e-book Voltron: Year One #1. Kinds of book are several. It means that, science book or encyclopedia or some others. So , how do you think about this book?

Gregory Holloman:

As people who live in the actual modest era should be revise about what going on or facts even knowledge to make these keep up with the era that is certainly always change and progress. Some of you maybe can update themselves by looking at books. It is a good choice for you personally but the problems coming to you actually is you don't know what one you should start with. This Voltron: Year One #1 is our recommendation to make you keep up with the world. Why, as this book serves what you want and need in this era.

Roger Sowa:

Nowadays reading books become more and more than want or need but also turn into a life style. This reading habit give you lot of advantages. Associate programs you got of course the knowledge the rest of the information inside the book in which improve your knowledge and information. The details you get based on what kind of reserve you read, if you want attract knowledge just go with education books but if you want feel happy read one with theme for entertaining like comic or novel. The Voltron: Year One #1 is kind of reserve which is giving the reader unforeseen experience.

Debra Shortt:

As a student exactly feel bored to reading. If their teacher inquired them to go to the library or to make summary for some guide, they are complained. Just tiny students that has reading's heart and soul or real their hobby. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that studying is not important, boring and also can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Voltron: Year One #1 can make you experience more interested to read.
