Having a baby means one thing: It's no longer all about you, guy. From the first positive test through your baby's first year, *Foreshadowing Fatherhood* has 125 tips and suggestions to help first-time fathers. If you're like the author, you might have had issues reading the extremely faint line on the pregnancy test and finding out from the mother-to-be that it's positive. Nothing says "I'm going to be a great father" like reading a pregnancy test wrong. But don't worry, this book will help guide you on what to do, and more importantly what not to do, now that you're less than a year away from becoming a father. Although there are countless books for expectant mothers that go in-depth about every topic imaginable, *Foreshadowing Fatherhood* throws a lifeline to first-time dads who--low on sleep and sound judgment--are destined to go from the penthouse to the dog house. Don't be that guy--buy this book to survive and thrive in fatherhood.
