Preventive Approaches in Couples Therapy Rony Berger, Mo Therese Hannah

Preventive Approaches in Couples Therapy is the first thorough overview of the leading approaches to preventing marital distress and dissolution. Written for professionals, paraprofessionals, and lay people involved in the development and implementation of preventive programs, the editors have created a resource accessible to all those in the field of couples therapy. The volume serves as an important resource for programs that the therapist may already use and as an insightful introduction into new programs that can strengthen and invigorate these existing therapeutic approaches.
