Kellen Kaiser

Queerspawn in Love: A Memoir Kellen Kaiser

Despite growing up in the San Francisco Bay Area as the daughter of four lesbians, Kellen Kaiser envisioned her life working out, fairy tale–like, with a Prince Charming. When her possible prince did arrive, however, it was not without complications.

Home on leave from the Israeli army, the man Kaiser picks doesn't seem like a sure bet. Starting with some casual sex gone awry, they face a number of obstacles, not the least of which are war in the Middle East, long-distance romance, and differing views on sexuality and their approaching adulthood. But they find themselves most challenged by a more mundane concern: the upkeep of a relationship between two people. Funny and keenly observed, *Queerspawn in Love* is a story about identity, family, and figuring out, through loving someone else and failing, how to love yourself.
