DEALER'S CHOICE

Buckskin Lee Morgan was holding the best hand any gambler could want. Fate had dealt him a full house: three ladies and two jokers. The jokers were white slavers ready to club Morgan until he was several cards short of a full deck. The ladies were three of a kind: each the queen of hearts, they made Morgan ache for an all-night round of strip poker. But before Lee could raise the ante—and a whole lot more—he'd have to bid the four flushers out of the game with six-guns and hard ?sts. Then he'd tempt the delicious dollies with diamonds—and get paid back in spades.
