Fine Things Danielle Steel

Smart, likable, Bernie Fine was the wonder boy of Wolff's, New York's most glamorous department store. A senior VP moving up, he arrives in San Francisco to open a West Coast store. His career is skyrocketing, but his life is lacking a center. When he looks into the wide, innocent eyes of five-year-old Jane O'Reilly, and then into the equally enchanting eyes of her mother, Liz, Bernie knows he has found what he has been looking for. Bernie thought he had found love to last a lifetime, but when Liz is stricken with cancer shortly after the birth of their first child, time becomes painfully short. Alone with two children, Bernie must face the loss and learn how to move on. New people, new experiences, a new life alone with two kids. He meets it with courage and humor, and learns some of life's hard but precious lessons as he does.

From the Paperback edition.

From reader reviews:

Stephen Ross:

Hey guys, do you really want to find a new book to see? Maybe the book with the concept Fine Things suitable to you? Often the book was written by well-known writer in this era. Typically the book titled Fine Things is a single of several books that everyone reads now. That book was inspired a lot of people in the world. When you read this review you will enter the new shape that you've never known before. The author explained their strategy in a simple way, consequently all of us can easily understand the core of this e-book. This book will give you a wide range of information about this world now. To help you see the representation of the world in this book.

Kathleen Bonds:

Do you have something that suits you such as a book? Book lovers usually prefer to select books like comic, short story, and the biggest one is novel. Now, why not attempt Fine Things that give you satisfaction? Preference will be satisfied by means of reading this book. Reading practice all over the world can be said as the means for people to know the world considerably better than how they react toward the world. It can't be said constantly that reading practice is only for the geeky person but for all of you who want to end up being a success person. So, for all of you who want to start looking at it as your good habit, you can pick Fine Things to become your current starter.

Kerry Giles:

Your reading sixth sense will not betray an individual, why because this Fine Things book was written by a well-known writer we are excited for well how to make a book which can be understood by anyone who also reads the book. Written in a good manner for you, still dripping with every idea and creating skill only for you to eliminate your own personal hunger then you still question Fine Things as a good book not just by the cover but also by content. This is one e-book that can break don't assess a book by its cover, so do you still need an additional sixth sense to pick this specific!? Oh come on your studying sixth sense already told you so why you have to listen to a different sixth sense.

Ronald Malone:

Don't be worried in case you are afraid that this book can fill the space in your house, you could have it in e-book method, more simple and reachable. This specific Fine Things can give you a lot of good friends because by you investigating this one book you have matter that they don't and make you actually more like an interesting person. This book can be one of a step for you to get success. This e-book offers you information that maybe your friend doesn't realize, by knowing more than others make you to be great individuals. So, why hesitate? Let me have Fine Things.
