## **It Is Solved By Walking** Catherine Banks

When Margaret learns of the death of her former husband, she recalls their earliest days together as Ph.D. candidates, beginning a journey through her past. Told through the sensations of Wallace Stevens's poem "Thirteen Ways of Looking at a Blackbird," the subject of her uncompleted thesis, Margaret evokes beautiful, ordinary and painful sexual memories from before, after and during their marriage. Stevens, a guiding voice in her head for twenty-five years, cajoles Margaret into unearthing the reasons she never became the poet, scholar, wife or mother she thought she would be. Bold and poetic, *It is Solved by Walking* is an intimate portrait of a writer making her way back to poetry one step at a time.
