**Left Right & Christ: Evangelical Faith in Politics** Lisa Sharon Harper, D.C. Innes

Why do people have a common faith but different political loyalties?

How does the Christian faith shape how we should vote and participate in the political process?

In *Left, Right, and Christ*, authors D.C. Innes and Lisa Sharon Harper discuss and explore how the Christian faith speaks directly to American politics today, but with different understanding and applications.

Addressing questions like:

Does God care about politics? Should we?

Is it the government's role to take care of the sick?

Do legalized abortions increase the number of abortions?

Should we support people's freedom to choose a definition of marriage, even if we disagree with their choice?

Does a free country mean that everyone is free to come here?

Is the earth so fragile that the government should step in to protect it?

Harper and Innes craft thought-provoking chapters on each issue that will have America talking for a long time.
