Tapestry Weaving: Design and Technique Joanne Soroka

Tapestries were among the most prestigious of art forms, created for the mightiest in the land and valued for centuries. Despite its illustrious history, tapestry weaving is actually a simple technique that requires little equipment or expenditure, and can be done anywhere. Written by a prominent tapestry weaver, this lavishly illustrated book gently leads you through the whole process with detailed diagrams and exciting work by contemporary weavers. It will be useful to the absolute beginner, but experienced weavers will also find new ideas and techniques to tempt and inspire them. The book includes a step-by-step guide to setting up a small frame loom and starting to weave; basic and more advanced techniques, and how to create shapes and textures; advice on taking your work into the third dimension, whether bas relief or fully sculptural; information on the qualities of different materials and how they can be used to create the effects you want; and design ideas for tapestry and how to follow supplied designs. This will be an essential source book for experienced and novice weavers, and is beautifully illustrated with 190 colour illustrations and diagrams.
