Terrorist Dispatch Don Pendleton

CRIMEAN DEADLOCK

Ukrainian militants are the initial suspects in a terrorist attack on Washington, DC, until rumors surface suggesting Moscow was behind the bombing. But the investigation only raises more questions. Was the attack an attempt to mute US criticism of Russia, or a call to action to help suppress Ukrainian dissidents? Only one man can solve the riddle and mete out appropriate punishment: Mack Bolan.

From Manhattan's Little Ukraine to the war-torn country itself, Bolan blazes a path of truth and justice to neutralize the threat...and prevent another slaughter on American soil even as the danger increases with enemies and allies emerging on both sides of the Crimean conflict. But the Executioner is no middleman; he has his own war to fight, and he won't stop until his opponents are ashes.
