Ancient language expert Samantha Yale returns to translate a new batch of scrolls written by the fallen angel from *Lucifer's Flood*.

Samantha Yale has taken on a daunting translation project. A set of scrolls, delivered by a man she knows nothing about, tells a fascinating and frightening tale of what went on behind the scenes of biblical history. What is even more incredible is who is telling the tale—a fallen angel who immediately regretted his decision to side with Lucifer.

In book three of The Reluctant Demon Diaries series, we find that the mysterious Wonk Eman has disappeared. Fearing the remaining scrolls may be lost forever, Samantha is determined to find him. Her search leads her an old church where she finds Wonk and convinces him that he must overcome his fear and allow her to examine the remaining scrolls.

This new volume of writings begins with the time of the judges over Israel as the nameless angel continues to watch and report to Satan on the progress of humanity as God leads them forward through the reign of King David.
