**Chicos que vuelven (Temporal - Narrativa del bicentenario) (Spanish Edition)** Mariana Enriquez  
Mecha es empleada del Centro de Gestión y Participación de Parque Chacabuco, y debe mantener y actualizar el archivo de chicos perdidos y desaparecidos en la ciudad de Buenos Aires. Un trabajo monótono al que, para peor, lleva adelante en una oficina ubicada debajo de la autopista, es decir, envuelta en un ruido incesante. Hasta que algo pasa: Vanadis, una chica desaparecida a los catorce años por la que, debido a su belleza y a su extraño nombre, Mechi se había interesado particularmente, un día aparece. Y será la primera de una lista de chicos que vuelven después de haber estado ausentes durante años. Pero hay un detalle: estos chicos reaparecen exactamente en las mismas condiciones —con la misma edad, la misma contextura física y hasta la misma ropa— en que se encontraban el día de su desaparición.
