Chorus Emma Trevayne

Eight years after Alpha was exposed to her first and only addictive, encoded musical track from the Corp, she finds that she cannot run away from the haunting dreams or desire to taste the emotional high again. At seventeen, she has left the temptations of the Web for a fresh start in Los Angeles, where she has formed a band of her own. But it only takes one urgent call to bring Alpha back home and to her brother Anthem's side.

Addiction to encoded tracks is down and an elected government reigns, but somehow more and more people are starting to look like they did in the old days, sickly and addicted. Alpha and her friends will have to dig deeper into the mainframe than ever before in order to reverse the effects before it is too late. Alpha is thrilled to be reunited once again with her twin, Omega, but his connection with her may be more of a dual-edged sword than a doubling of forces.

Emma Trevayne's sequel to *Coda* concludes the series with a crescendo of unexpected twists, hard-earned triumphs, and agonizing decisions—all coming together as a symphony of pure emotion.
