## **Destino: Planeta Terra (Portuguese Edition)** Cláudio Vieira Oliveira

Em uma aventura, que mistura fantasia com conhecimentos históricos e técnicos, o autor busca apresentar uma metáfora da realidade vivida pela humanidade nos dias atuais. Nesta ficção são apresentados os Aons, uma raça extremamente evoluída e uma das civilizações mais antigas da galáxia, que acompanha, ao longo de centenas de milhares de anos, o desenvolvimento científico e tecnológico de muitas das civilizações que florescem na galáxia. Durante uma expedição ao planeta Terra, na década de 1960, seres provenientes de Aon se deparam com uma descoberta inquietante e perturbadora que poderá mudar o curso da evolução do planeta. Esta descoberta fará com que vivam uma eletrizante e perigosa aventura em meio à corrida espacial disputada por americanos e soviéticos.
