For every woman with a big-haired lady buried inside them, it's time to live large and unleash the authentic person God created you to be. Sue Buchanan, everybody's favorite cheerleader, tells it like it is as she exhorts her beloved readers to look at their life story through a new and different viewfinder, come to grips with the past that has shaped them, and then, with God's help, move on to live a more enriched life. Sue can relate to women who deal with the difficulties of daily life (nasty people, weight and image concerns, aging, God issues, and parenting) as well as the bigger crises of life (hers was surviving breast cancer). And yet, in the midst of it all, Sue reminds readers to take hold of their thinking and give themselves permission to laugh and unleash the cute, witty, delightful, intelligent, passionate, authentic, interesting, life-of-the-party person they always dreamed they would be!
