The Life We Never Expected: Hopeful Reflections on the Challenges of Parenting Children with Special Needs Andrew Wilson, Rachel Wilson

What do you do when hard or painful circumstances turn your world upside down, resulting in a life you never expected? Andrew and Rachel Wilson grappled with this question after both of their children were diagnosed with regressive autism. Refreshingly honest, this book explores the highs and lows of raising children with special needs, reflecting on the broader question of how to cope with suffering of all kinds. Sharing personal stories from their lives and encouragement rooted in the truth of God's Word, Andrew and Rachel highlight lessons they've learned related to fighting for joy and thriving in the midst of trials—ultimately pointing readers to Christ, the One who promises to make all things new.

From reader reviews:

Victor Kohlmeier:

What do you in relation to book? It is not important along with you? Or just adding material when you really need something to explain what you problem? How about your spare time? Or are you busy man? If you don't have spare time to accomplish others business, it is make you feel bored faster. And you have free time? What did you do? All people has many questions above. The doctor has to answer that question since just their can do this. It said that about book. Book is familiar on every person. Yes, it is suitable. Because start from on jardín de infancia until university need this kind of The Life We Never Expected: Hopeful Reflections on the Challenges of Parenting Children with Special Needs to read.

Herbert Haubrich:

Nowadays reading books be than want or need but also turn into a life style. This reading behavior give you lot of advantages. The benefits you got of course the knowledge the particular information inside the book in which improve your knowledge and information. The details you get based on what kind of e-book you read, if you want drive more knowledge just go with training books but if you want feel happy read one having theme for entertaining for example comic or novel. The The Life We Never Expected: Hopeful Reflections on the Challenges of Parenting Children with Special Needs is kind of e-book which is giving the reader unforeseen experience.

Gregory McCormick:

Playing with family in a very park, coming to see the coastal world or hanging out with pals is thing that usually you will have done when you have spare time, in that case why you don't try issue that really opposite from that. 1 activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love The Life We Never Expected: Hopeful Reflections on the Challenges of Parenting Children with Special Needs, you could enjoy both. It is very good combination right, you still need to miss it? What kind of hang-out type is it? Oh seriously its mind hangout fellas. What? Still don't buy it, oh come on its known as reading friends.

Paula Mayo:

Reading a book for being new life style in this year; every people loves to go through a book. When you learn a book you can get a large amount of benefit. When you read guides, you can improve your knowledge, since book has a lot of information upon it. The information that you will get depend on what sorts of book that you have read. In order to get information about your research, you can read education books, but if you want to entertain yourself you can read a fiction books, these us novel, comics, in addition to soon.
