An experienced television journalist, Skye Cameron needs a big interview to propel her from weather person back into investigative reporting at her new television station. She's determined to get there and will do anything to reach her goal.

Jason Williams, a world-renowned paleontologist, rarely does television interviews. When Skye has a chance to attend a field expedition led by Jason, she jumps at the chance, hoping to gain his confidence before approaching him about an interview. But when the two come face to face she's torn between her desire to further her career and her growing attraction to the reclusive scientist.

Join Skye and Jason in the Canadian badlands as they learn to be true to each other, but more importantly, to themselves.
