The toughest battle he's ever faced is convincing her she's the queen of his soul.

Heart's Desire, Book 3

Gareth Beckett takes the wizard throne in three days, and the woman who stole his heart is missing. Hoping with everything in him that it will call her back to his side, he casts the Beckett mate spell.

One minute, Genevieve Godwin is knocking on Gareth's door to tell him she's had a vision warning of a threat to his life. The next, she's pinned to his sofa, trying to explain her recent absence to one very irate werewolf wizard.

Ever since Gen was forced to use her warlock powers to save him, he's barely made eye contact. And now he wants her to be his queen? She's a Hecate's Own, not a princess. Her place is on the trail of evil—especially her own brothers—to bring them to justice, not sipping tea and making small talk.

Gareth is determined to keep her at his side, and not only to keep her safe. Between scheming courtiers, the threat of the Godwin brothers and Gen's insistence that she be allowed to continue her work as one of Hecate's Own, Gareth is about to lose his mind. It will take a powerful combination of witch, wizard and warlock to stop the magical *coup d'état* that could destroy them all.

Warning: This title contains explicit sex, graphic language, and a king who can't live without his queen.
