Incorporate activities that energize and engage students in pre-kindergarten–kindergarten using Fun, Fitness, and Learning! This 64-page book includes 55 large-group activities and more than 45 hands-on practice pages that strengthen students’ cognitive skills and promote motor planning, body awareness, visual memory, and locomotor skills. The book covers topics such as learning the alphabet, identifying colors, recognizing emotions, moving the body for fitness, using the five senses, and numbers and counting. The book supports Head Start and NAEYC standards. Key Education products are intended to engage and educate young and special learners, as well as assist teachers in building a strong and developmentally appropriate curriculum for these children. The product line—comprised of teacher/parent resource books, photographic learning cards, and other activity- and game-oriented materials—is designed to assist in “Unlocking the Potential in Every Child.”
