Isabel's Skin

Peter Benson

Isabel's Skin Peter Benson

Peter Benson's new novel is a slick gothic tale in the English tradition, a murder mystery, a reflection on the works of the masters of the French Enlightenment and a tour of Edwardian England. More than this, it is a work of atmosphere and unease which creates a world of inhuman anxiety and suspense. David Morris lives the quiet life of a book-valuer for a London auction house, travelling every day by omnibus to his office in the Strand. When he is asked to make a trip to rural Somerset to value the library of the recently deceased Lord Buff-Orpington, the sense of trepidation he feels as he heads into the country is confirmed the moment he reaches his destination, the dark and impoverished village of Ashbrittle. These feelings turn to dread when he meets the enigmatic Professor Richard Hunt and catches a glimpse of a screaming woman he keeps prisoner in his house.
