The English Legal System: 2013-2014 Gary Slapper, David Kelly

Slapper and Kelly's *The English Legal System* explains and critically assesses how our law is made and applied. Annually updated, this authoritative textbook clearly describes the legal rules of England and Wales and their collective influence as a sociocultural institution.

This latest edition of *The English Legal System* presents and analyses changes made to the legal system and digests recent legislation and case law. The Protection of Freedom Act 2012, the Defamation Bill, the Justice and Security Bill 2012, the Mental Health (Discrimination) Bill 2012, and the July 2012 vote on Parliamentary reform are all incorporated into the text, and this edition also considers changes to the Crown Prosecution Service, Mediation and Judicial Diversity. The cases *Alvi v Secretary of State for the Home Department* (judicial review), *AXA General Insurance Limited v The Lord Advocate* (Scotland) (devolution), *R v J, S, M and R v KS* (jury tampering), and *Rolf v De Guerin* (mediation) are all digested in the text.

The text also includes the latest government papers on antisocial behaviour, and criminal justice reform, the Practice Direction on citing authorities in court, and the Leveson Inquiry.

Key learning features include:

- a clear and logical structure with short, manageable, well-structured individual chapters;
- useful chapter summaries which act as a good check point for students;
- 'food for thought' sections help to deepen understanding of key issues in each chapter;
- sources for further reading and suggested websites at the end of each chapter to point students towards further learning pathways;
- an online skills network including how-to-do practical examples, tips, advice and interactive examples of English law in action.

Relied upon by generations of students, Slapper and Kelly's *The English Legal System* is a permanent fixture in this ever evolving subject.
