## **Visitors: A Novel (Vintage Contemporaries)** Anita Brookner

The extraordinary Anita Brookner gives us a brilliant novel about age and awakening. In *Visitors*, Brookner explores what happens when a woman's quiet resignation to fate is challenged by the arrogance of youth.

Dorothea May is most at ease in the company of strangers -- so when she is prevailed upon to take in a young man in town for a family wedding, her carefully constructed, solitary world is thrown into disarray. As the wedding approaches, old family secrets surface and conflicts erupt between the generations. Dorothea's fragile façade of peaceful acceptance is pierced, forcing her to face in a new way both her past and her future.

Exquisite writing, richly drawn characters, and penetrating perceptions about people are featured in another superb novel from this acclaimed and award-winning writer.
