Seeing Through Places: Reflections on Geography and Identity Mary Gordon

Mary Gordon, bestselling author of *Spending* and *The Shadow Man*, investigates the role that place plays in the formation of identity -- the connections between how we experience place and how we become ourselves. From her grandmother's house, which stood at the center of her childhood life, to a rented house on Cape Cod, where she began to mature as a writer, Mary Gordon navigates the reader through these spaces and worlds with subtlety and style. Wise, humorous, and intelligent, *Seeing Through Places* illuminates the relationship between the physical, emotional, and intellectual architectures of our lives, showing us the far-reaching power that places ultimately have in influencing a life.
